

Sony E-Book Instructions

1. Go to www.Scottpublib.org
2. Click on the “Downloadable Audio & E-Books by OverDrive” link
3. Click on the “Click here to link directly to OverDrive” link
4. If this is your first time using OverDrive please follow steps 5-11. If you have used OverDrive before and already have Adobe Digital Editions installed, skip to step 12.
5. Next you will need to download Adobe Digital Editions. This download is available in the left hand column under “Software Downloads”
6. Click the download button that says “Get Adobe Digital Editions.” This will take you to another screen.
7. Once you’re on the Adobe website click “Install” button about halfway down the page.
8. Once the window pops up asking you what you want to do with the file hit “save”
9. The installation program will walk you through the initial install.
10. Once installed you will need to type in your Adobe ID. If you don’t have one then there is a link that you can click to set one up.
11. After it is installed exit out of the program. Then go back to your browser to look up EBooks that you want.
12. Click the “Login” button on the top right
13. Select your library
14. Type in your library card number
15. Type in your library pin number
16. Hit the “login” button
17. Search for the book you want to read on your E-reader device.
18. Most E-readers today are able to open the EPUB and PDF formats
19. Pick the book you want and hit add to e-cart
20. If you want to continue looking for titles hit “Continue Browsing”
21. If you are done then hit “Proceed to Checkout”
22. Hit the “Confirm Check Out”
23. Plug in your Sony Ereader
24. Click the “My Computer” or “Computer” button on your start menu
25. Click on the “settings” folder that is on your screen it should be on the right hand side and will be mostly filled up.
26. Click on the “Set Up My Sony Ereader for Windows”.
27. The program should open and start installing. If it does not right click it and hit “open”.
28. Once that is installed then go back your internet browser and hit “Download”
29. A window will pop up asking you what to do with the file. Hit “Save”
30. Then right click the EBook and hit “open”
31. This should open Adobe Digital Editions
32. You should see your Sony EReader device on the left hand side
33. Just drag the book you want to put on your EReader to your EReader on the left hand side and you are done
