

Community Listening Sessions

Every five years, the Scott County Public Library Trustees update the Library 5-year strategic plan. The plan is guided by community feedback, opinions and ideas which assist the Trustees in identifying priorities and taking action.

The Trustees encourage you to share your opinions, help choose and prioritize services and programs, all as part of a grassroots effort maintaining a vibrant community library.

The meetings will be facilitated by consultants from the Kentucky League of Cities in the following locations:

Sadieville City Hall March 20 @ 6 p.m.

Scott County Public Library March 30 @ 6:30 p.m

Stamping Ground City Hall April 4 @ 6 p.m.
